

# A Note to Undocumented Students

You can still go to college in California even if DACA is ending. Keep in mind:

- CA Dream Act is still in place! Submit your application before March 2nd.
- In-state tuition eligibility is expanding! AB 540 is still in place and now you may be eligible for in-state tuition even if you didn't attend 3 years of high school in CA.

With E4FC's resources, information and support, you can see what's possible.

Keep going. You are not alone.
